Sarah

For SU President (UG)

Hi, I'm **Sarah** (she/her) and I'm running to be your next **UG President**. I've been listening to and standing up for students throughout my time at Cambridge, from fighting for **workload reduction** during tripos reform, to restructuring rent at Fitz to **save students money**. I know how hard it can feel to fit in here, so if you share my vision for a **supportive, inclusive Cambridge**, vote for me and we can build it together.

Resits and Better Exam Adjustments

- Fight to introduce resits to make assessment fairer
- A more accessible exam adjustments and mitigations process

Mental Health support that goes further than posters and coasters

- Standardise training for tutors
- A wellbeing coordinator every college to signpost students
- Easier access to ongoing university support and counselling

Tackling the Workload Problem

- Push for structural reform to change the culture of overwork
- Work with academic reps to create tripos specific solutions
- Deliver lecture capture for all students

More Resources for Societies

- Increase society grants to support all student groups
- Make room booking easier (and free!) across all colleges

Make Cambridge more Affordable

- Standardise and increase bursary funding
- Empower JCR reps to negotiate below inflation rent rises

Real Climate Action

- Fight for a proper, funded plan to get the university to net zero
- Improve the sustainability and heat efficiency of uni buildings
- Demand an end to fossil fuel and arms funding

Experience

Fitz **JCR President**
(2022 – 23)

SU Class Act Campaign
Secretary (2021 – 22)

Classics **Faculty Rep**
(2021 – 22)

I've fought to **deliver real change** for students, and I'm ready to lead the SU to do the same.
